

Torrington Even Start English as a Second Language Learner

Topic Tracking Chart

Date: Jan. 10th, 2013	Topic and Lesson Overview
Parenting	<p>Topic: Kindergarten Registration</p> <p>Lesson: We will be filling out the kindergarten form in preparation of the upcoming Kindergarten Fair. We will also be going over the calendar informing the parents about any upcoming ILA events.</p>
Media	<p>Topic: Assessment of basic computer skills</p> <p>Lesson: Used the basic computer skills assessment (Northstar Digital Literacy) loaded on FLMC website at http://familylibrarymediacenter.weebly.com/for-esl-parents.html as a pre-test to set a baseline for each student's familiarity with computer operation. Each student answered a series of questions in an online module and received a score which categorized areas of challenge and mastery. We will use this to build computer skills in the context of information literacy and parenting over the course of the year.</p>
Medical	<p>Topic: How to stay healthy during flu season</p> <p>Lesson: Since the influenza is very prevalent right now, we discussed ways of preventing the flu and what to do if a parent or child gets the flu.</p> <p>http://www.healthyandwisekids.com/files/Staying%20Healthy%20During%20the%20Cold%20and%20Flu%20Season%20(2)_0.pdf</p> <p>http://www.healthyandwisekids.com/files/Staying%20Healthy%20During%20the%20Cold%20and%20Flu%20Season%20-%20Spanish_0.pdf</p>

****Please indicate the topic you are covering each week and a quick overview of your lesson.**
